Preschool Program / Playground Program / Teen Xtreme

Believe it or not, the time has come to register for the 2012 Summer Program. The Hingham Recreation Department staff has been planning for summer 2012 since before last summer ended! I hope you will be pleased with the results of our efforts to provide your children with a fun and exciting experience here at Hingham Recreation.

Registration for the Summer Program 2012 will be conducted on a first come first served basis. Online registration will begin on Wednesday, February 1, 2012 at 6:00 PM and will continue as long as spaces are available. Beginning Wednesday, February 15, 2012 walk-in and mail-in registration for the program will also be accepted. It is highly recommended that you register online in order to secure your child's spot in our summer program. To register online please visit our website at www.hinghamrec.com.

The goal of the summer program is to provide your children with an opportunity to meet new people, make new friends, enjoy old friends, learn new activities, improve their social skills, and offer a sense of belonging. Children will be encouraged to participate in new learning experiences. We will also strive to create an atmosphere that is friendly and inviting. Activities planned include sports, field games, swimming, arts and crafts, and field trips. Theme days will also be a staple this summer and will feature coordinated activities, performances, and crafts.
