

Meeting Agenda
Weir River Estuary Park Committee
Wednesday, January 15th @4:00pm
Cohasset Senior Center (91 Sohier Street)

*Based on the idea that this estuary is defined more by ecology than town boundaries or land ownership – “a Park where the trails are water” – the Boards of Selectmen in Hull, Hingham and Cohasset agreed to each appoint up to three members to a tri-town committee. WREPComm is not a 501(c)3 non-profit Watershed Association. Formed in 2002, the purpose of the WREPComm is to support each Town’s Master Plan / Open Space Plan in the Weir River Estuary Park through: **1)** Land protection, **2)** Conservation and restoration of wildlife habitat, **3)** Stewardship education, and **4)** Recreation which supports habitat protection.*
