

HINGHAM SCHOOL COMMITTEE

June 19, 2017 9:30 a.m.
East School – Multi-purpose Room

Over the past year, the School Committee has been engaging with the Hingham community on various topics, including GPA, special education, cultural issues at the high school and two principal searches (Hingham High School and Plymouth River School). The public input we have received has been very valuable in each of these instances.

Looking forward, we would like to provide the community with an opportunity to give feedback and express ideas on areas of focus for the School Committee in the near future.
