

**Cleaner Greener Hingham
Long Range Waste Disposal & Recycling Committee
Thursday, October 6th, 2022
07:00 PM Eastern Time (US and Canada)
Whiton Meeting Room,
Hingham Public Library, 66 Leavitt Street**

1. Talk by Dr Bryan James on the fate and persistence of plastics in the ocean and how this is informing the design of next generation plastics.
2. Breakout discussion about the proposed bylaw banning the sale of non-flavored, uncarbonated water in single-use plastic containers under one gallon
3. Meeting adjourning at or before 9pm
