

HINGHAM NORTH STATION BUILDING COMMITTEE

Minutes for Meeting: 7:00 P.M., June 22, 2017

Members Present: G. MacCune, N. MacDonald, K. Griswold, R. Olsson, M. Wilkin, T. Carey, A. Kearney

Town Residents Present: School Committee, C. Galko

Professional Team: A. Brown

Meeting was called to order at 7:04 PM on June 22, 2017, South Hearing Room, at the Hingham Town Hall.

Approval of the minutes for the meeting held on May 15, 2017 were deferred to next meeting.

G. MacCune: started update. A. Brown gave a recap of the site tour.

1. Parking requirements are significant.
2. All town vehicles – including police cruisers – use the fuel pump; there is activity all day.
3. Two school groups – transportation (bus drivers and operations); maintenance
4. Maintenance has 3 people that occupy desks; custodians also use the facility as ‘home base.’
5. Transportation is 6 people.
6. Military vehicles require access, limiting end of bus barn as school building space.

General Discussion:

Chief Olson thought that we can get setback variances due to the site being odd shaped.

The Town will take on the responsibility regarding the School Building issue. They may set up a separate Building Committee to study it. The Public Safety Committee should concentrate on the Fire Station.

Greg to meet with the Town Administrator on June 23, 2017

Maybe look at a 1200 SF addition to the Fire Station for Transportation Dept. only. School Maintenance Dept. can be located off site. D&W to wait for results of Greg’s meeting.

Next meeting to be determined. Tour of site and buildings will be posted.

Motion to adjourn by AI, seconded by Karen. Meeting adjourned at 8:01 PM.

*Minutes respectfully submitted by Nancy MacDonald
Committee Secretary*
