

Board of Selectmen

July 21, 2020

Remote meeting via telephone conference call

Present:

- Board of Selectmen: Ms. Mary Power (Chair), Mr. Joseph Fisher, and Mr. Bill Ramsey
- Mr. Tom Mayo, Town Administrator
- Ms. Michelle Monsegur, Assistant Town Administrator

Call to order: 7:00 pm

Ms. Power called the meeting to order and read the following statement:

“This meeting is being held remotely as an alternate means of public access pursuant to an Order issued by the Governor of Massachusetts dated March 12, 2020 Suspending Certain Provisions of the Open Meeting Law. You are hereby advised that this meeting and all communications during this meeting may be recorded by the Town of Hingham in accordance with the Open Meeting Law. If any participant wishes to record this meeting, please notify the chair at the start of the meeting in accordance with M.G.L. c. 30A, § 20(f) so that the chair may inform all other participants of said recording.”

Mr. Fisher noted that Chairman Power has asked him to act as Chair for this meeting because she was calling in via telephone with unreliable service. He asked if any participants were recording the meeting. There were no comments.

Approval of Minutes

Vote: Ms. Power made a motion to approve the minutes dated June 23, 2020. Mr. Fisher seconded

Issuance and details of the \$111,180,000 General Obligation Water Bonds, Series 2020 to be dated and closed July 30, 2020 and related matters

Mr. Mayo announced that the Town enjoyed a very successful bond sale last week and added that on the line were some of the people who made it happen including, Treasurer Jean Montgomery, Richard Tortora of Capital Markets Advisors, Bond Counsel Rick Manley, and Town Counsel John Coughlin.

Ms. Montgomery stated that on Wednesday July 15, 2020 a Bond Purchase Agreement was entered into between the Town of Hingham and UBS Financial Services, Inc. for the purchase of a \$111,180,000 General Obligation Bond. She said that the 30-year bonds will be dated July 30, 2020 and are being borrowed at a true interest cost of 2.145%. She went on to say that the funds will be used to purchase the Aquarion Water Company. The Board was asked to approve the agreement and to authorize her to go forward with the completion of the sale. Mr. Fisher clarified for the public that the Town is purchasing the assets of the Aquarion Water Company.

Mr. Richard Tortora of Capital Markets Advisors explained that their role in the transaction was to serve as the Town's independent municipal advisor. He said that they had received a robust response to their Request for Proposals in conjunction with the financing. After reviewing the proposals, Capital Markets Advisors recommended that UBS underwrite this project. He explained that, because of the size of the acquisition, they felt that having a banker on board would give them more flexibility in the marketplace. In June, they developed an interest rate scale at which they felt comfortable entering the marketplace. Mr. Tortora gave a brief overview of the pricing process, which, he said, was helped by the Town's Aaa credit rating. He noted that the 2% interest rate was extraordinary for a 30-year bond issue. He added that it was a very successful sale and that he was very pleased with the results.

Mr. Rick Manley, Bond Counsel, spoke briefly about the legal side of the transaction. He said that it was important to note that, while they were involving private parties in the operation of the water system, the bonds would be tax-exempt. He added that they are ready to render the bond agreement as soon as the sale is complete on July 30.

Mr. Fisher recognized the hard work, insight and inspiration that Mary Power brought to the project. Ms. Power said that this project has been a team effort. She recalled that at the 2019 Town Meeting, under Town ownership of the water company, it was projected that the Town could see a savings of approximately \$48 million based on a 3.75% interest rate. She shared that, at the current 2.14% interest rate, the Town's savings have been increased to approximately \$64 million, saying this was great news for the rate payers. Ms. Power commented that many people have worked on this project for years and added that she was grateful for having the support of the Advisory Committee. She thanked Advisory Committee liaison Dave Anderson for his work on the project.

Mr. Ramsey said that the 2.145% interest rate was phenomenal and attributed it, in large part, to the Town's AAA credit rating. Mr. Ramsey and Mr. Mayo both commented on Ms. Power contributions and said that the Town was lucky to have her heading up the effort.

Vote: Ms. Power made a motion that the sale of the \$111,180,000 General Obligation Water Bonds, Series 2020 of the Town dated July 30, 2020 (the "Bonds"), to UBS Financial Services, Inc. (the "Underwriter") at the price of \$120,291,037.72 and accrued interest is hereby approved and confirmed. The Bonds shall be payable on February 15 of the years and in the principal amounts and bear interest at the respective rates, as follows:

2048	5,210,000
2049	5,335,000
2050*	5,460,000

*Final Maturity

Ms. Power further moved that in connection with the marketing and sale of the Bonds, the preparation and distribution of a Notice of Sale and Preliminary Official Statement dated July 8, 2020 and a final Official Statement dated July 15, 2020 (the "Official Statement"), each in such form as may be approved by the Town Treasurer, be and hereby are ratified, confirmed, approved and adopted.

Ms. Power further moved that the Bonds shall be subject to redemption, at the option of the Town, upon such terms and conditions as are set forth in the Bond Purchase Agreement dated July 15, 2020 between the Town and the Underwriter (the "Agreement").

Ms. Power further moved to confirm the provisions of the Agreement, including the consent to the purchase of the Bonds by the Underwriter on a negotiated basis.

Ms. Power further moved that the Town Treasurer and the Board of Selectmen be, and hereby are, authorized to execute and deliver a continuing disclosure undertaking in compliance with SEC Rule 15c2-12 in such form as may be approved by bond counsel to the Town, which undertaking shall be incorporated by reference in the Bonds for the benefit of the holders of the Bonds from time to time.

Ms. Power further moved that we authorize and direct the Town Treasurer to review and update the Town's post issuance federal tax compliance procedures and continuing disclosure procedures, in order to monitor and maintain the tax-exempt status of the Bonds and to comply with relevant securities laws.

Ms. Power further moved that any certificates or documents relating to the Bonds (collectively, the "Documents"), may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute one and the same document; delivery of an executed counterpart of a signature page to a Document by electronic mail in a ".pdf" file or by other electronic transmission

shall be as effective as delivery of a manually executed counterpart signature page to such Document; and electronic or facsimile signatures on any of the Documents shall be deemed original signatures for the purposes of the Documents and all matters relating thereto, having the same legal effect as original signatures.

Ms. Power further moved that each member of the Board of Selectmen, the Town Clerk and the Town Treasurer be and hereby are, authorized to take any and all such actions, and execute and deliver such certificates, receipts or other documents as may be determined by them, or any of them, to be necessary or convenient to carry into effect the provisions of the foregoing votes.

Mr. Ramsey seconded.

Amendments to Operations and Maintenance Agreement for the Weir River Water System (Board of Selectmen acting as the Board of Water Commissioners)

Mr. Mayo stated that, due to the complexity of transitioning the billing, the Board feels it is necessary to amend the Operations and Maintenance Agreement with Suez due to higher than anticipated costs related to billing.

Town Counsel, John Coughlin explained that the Town signed the Asset Purchase Agreement in June and would like to complete the sale on July 30, 2020. He said that, after the sale, Aquarion would continue to do the billing for six months as a subcontractor of Suez, after which time Suez would take over the billing. He noted that Amendment #1 is for the additional cost related to this transitional billing structure. (\$9,580 per month) Amendment #2 accounts for the cost to open a Customer Service Center and associated expenses. There will be a two-month overlap period while Suez gets an office up and running and Aquarion is still doing the billing. Ms. Power noted that there would be no additional costs to the ratepayers.

Vote: Mr. Ramsey made a motion that the Board of Selectmen acting as the Board of Water Commissioners pursuant to Article 11 of the 2019 Town of Hingham Annual Town Meeting and Chapter 139 of the Acts of 1879 (as amended) and all other applicable laws do hereby vote to authorize its Chair to execute and deliver the First Amendment to Agreement between the Town of Hingham and Suez Environmental Services, Inc. in substantially the form attached hereto. Ms. Power seconded.

Review the application for Outside Table Service from South Shore Sports Center (Lima Sports) - Request for Outside Table Service and modification of liquor license

Mr. Wade Zawatsky, Director of Sales and Operations at South Shore Sports, explained their request for outdoor table service. He said that they intend to use a grassy area next to the building for tables. He noted that there is space to allow for one-way entrance and exit to the area. Ms. Sarni, Executive Health Director, stated that they are complying with all related COVID-19 regulations. He added that they will sit the tables on some turf and will be adding some outdoor lighting. Police Chief Olsson was satisfied with the plan and felt that it was safe.

FIRST VOTE: Mr. Ramsey made a motion that the Board approve the application of Lima Sports d/b/a South Shore Sports Center/Skybox Lounge, to expand Outdoor Table Service (“OTS”) in accordance with COVID-19 Order No. 35 and the Town of Hingham Covid-19 Temporary Policy Regarding Restaurant Outdoor Table Service (the “OTS Policy”), subject to the following conditions:

A. Site Specific Conditions:

1. No amplified sound nor other entertainment shall be permitted in the OTS Premises.
2. The Applicant shall separate the OTS Premises from the parking lot with jersey barriers. The server path along the front façade of the building shall be demarcated on the ground with stanchions and rope.
3. In accordance with ABCC Guidelines for Extension of Premises to Patio and Outdoor Areas, the Applicant shall:
 - a) Enclose the OTS Premises by a fence, rope, or other means to prevent access from a public walkway. Such enclosure must be in place in a manner satisfactory to the Hingham public safety officials prior to opening of the OTS Premises; and,
 - b) Commit to providing management personnel dedicated to the OTS Premises as there is no clear view from the inside business to the OTS area.
4. In accordance with the OTS Policy, the OTS Premises shall close no later than the earlier of (i) 10:00 p.m. on Sundays - Thursdays and 11:00 p.m. on Fridays and Saturdays or (ii) one hour after the kitchen of the establishment closes for food service.
5. In order to facilitate handicapped accessibility to restroom facilities, as needed, a “porta-potty” shall be maintained by the Applicant. The porta-potty shall be cleaned daily and deep cleaned once per week.

B. General Conditions:

1. Outdoor Table Service shall be permitted in compliance with the Approved Plan.
2. The location, size, and layout of the OTS Premises (as defined in the OTS Policy) approved herein may not be modified without further approval. Any request for modification must be

submitted in writing, with detail as to the proposed modifications, to restaurantopening@hingham-ma.gov.

3. Addition of amenities, such as tents or outdoor heating units, is subject to further review and approval. Requests for such amenities shall be sent in writing to restaurantopening@hingham-ma.gov.

4. Approval holder shall be responsible for regular cleaning of trash and food in the OTS Premises and shall not allow trash, food, or other nutrients to accumulate or be deposited (intentionally or unintentionally) into storm drains.

5. Approval holder shall fully comply with all applicable state and local laws, regulations, and standards, including without limitation:

- a) Town of Hingham Covid-19 Temporary Policy Regarding Restaurant Outdoor Table Service.
- b) Massachusetts COVID-19 Mandatory Workplace Safety Standards
- c) Massachusetts COVID-19 "Safety Standards and Checklist: Restaurants"
- d) ABCC Advisory Regarding Guidelines for Extension of Premises to Patio and Outdoor Areas

6. This Approval may be subject to additional public safety conditions to ensure the safety of the diners, pedestrians, and vehicles, if determined by the Town that an unsafe condition exists once Outside Table Service is in operation.

7. The establishment may be subject to periodic inspection for compliance with this Approval. Failure to comply with this Approval may result in suspension or revocation of this Approval and in fines in accordance with Massachusetts law.

Mr. Fisher seconded.

Review the application for Outside Table Service from Brewed Awakenings – Request for Outside Table Service and license to use public sidewalk

Ms. Helen Bellas of Brewed Awakenings explained that they are requesting to place two bistro tables, each with two chairs, on the sidewalk in front of the coffee shop for the use of patrons while they wait. She said that the tables would be placed on the sidewalk at 6am, upon opening, and would be taken inside upon closing at 8pm each day. The shop is not currently offering any indoor dining. Mr. Fisher noted that the Board had received a letter of support for the plan from Nona's Homemade. Chief Olsson commented that his only concern was keeping handicap accessible areas open, which the current plan allows for. It was confirmed that the tables would be located at the corner of South and Main Streets.

FIRST VOTE: Mr. Ramsey made a motion that the Board approve the application of Hingham Brewed Awakenings, Inc. to expand Outdoor Table Service ("OTS") in accordance with COVID-19 Order No. 35 and the Town of Hingham Covid-19 Temporary Policy Regarding Restaurant Outdoor Table Service (the "OTS Policy"), subject to the following conditions:

A. Site Specific Conditions:

1. This Approval is subject to the Applicant's execution and delivery of a License for use of the public sidewalk in a form required by the Town of Hingham (the "License") and its continued compliance therewith. A failure to comply with the License shall be deemed to be a failure to comply with this Approval.
2. The Applicant shall remove the tables and chairs from the OTS area when the business closes each evening.
3. The proposed planters shall be located in a manner that maintains a minimum 4 foot-wide pedestrian path on the sidewalk and shall not obstruct the handicap ramps at the intersection of Main and South Streets.
4. The OTS area shall be used exclusively for customers of the Applicant. The Applicant shall designate the OTS area by placement of business placards on the tables.

B. General Conditions:

1. Outdoor Table Service shall be permitted in compliance with the Approved Plan.
2. The location, size, and layout of the OTS Premises approved herein may not be modified without further approval. Any request for modification must be submitted in writing, with detail as to the proposed modifications, to restaurantopening@hingham-ma.gov.
3. Addition of amenities, such as tents or outdoor heating units, is subject to further review and approval. Requests for such amenities shall be sent in writing to restaurantopening@hingham-ma.gov.
4. Approval holder shall be responsible for regular cleaning of trash and food in the OTS Premises and shall not allow trash, food, or other nutrients to accumulate or be deposited (intentionally or unintentionally) into storm drains.
5. Approval holder shall fully comply with all applicable state and local laws, regulations, and standards, including without limitation:
 - a) Town of Hingham Covid-19 Temporary Policy Regarding Restaurant Outdoor Table Service.
 - b) Massachusetts COVID-19 Mandatory Workplace Safety Standards
 - c) Massachusetts COVID-19 "Safety Standards and Checklist: Restaurants"

- d) **ABCC Advisory Regarding Guidelines for Extension of Premises to Patio and Outdoor Areas**
6. **This Approval may be subject to additional public safety conditions to ensure the safety of the diners, pedestrians, and vehicles, if determined by the Town that an unsafe condition exists once Outdoor Table Service is in operation.**
 7. **The establishment may be subject to periodic inspection for compliance with this Approval. Failure to comply with this Approval may result in suspension or revocation of this Approval and in fines in accordance with Massachusetts law.**

SECOND VOTE: That the Board approve the request of Hingham Brewed Awakenings, Inc. to temporarily alter the Licensed Premises under Common Victualler License HING002 for the period commencing as of the effective date of this approval and expiring on November 1, 2020 for operations in compliance with the aforesaid motion just adopted.

One-Day Liquor License: Stellwagen Beer Company

Ms. Monsecur explained that this request is for three separate one-day liquor licenses for family-friendly picnics at Weir River Farm. They plan to have a local food truck as well. They have a plan for social distancing. Police Chief Olsson commented that he has been working with Executive Health Officer Susan Sarni on this request and is happy with their plan.

Vote: Mr. Ramsey made a motion to approve the issuance of a Special (One Day) License to Michael Snowdale on behalf of Stellwagen Beer Company for three Family Farm Dinners at Weir River Farm on Thursday, July 23, August 6, and August 20, 2020 from 5 pm to 9 pm subject to the following conditions:

1. **Masks should be worn at all times by staff.**
2. **Guest should wear masks at all times, except when seated in your group while eating and drinking.**
3. **Provide hand sanitizer to public and staff**
4. **Post signs on social distancing and wear masks.**

Mr. Fisher seconded.

FY 21 Goals and Objectives Discussion

Mr. Fisher introduced the discussion of the Board of Selectmen's goal and objectives for 2021 by saying that this is the second in a series of discussions that Board will have in an attempt to educate the public on their priorities. He also said that the Board could review these discussions at the end of the year to see whether the Board met their goals. Mr. Fisher said that the following are the goals and objectives that the Board has identified thus far:

- To ensure effective Town government and financial stewardship throughout this period of the COVID-19 pandemic, including helping the schools, the Senior Center and businesses adjust to the new norms that govern our conduct
- Address issues of racial equality and justice in our community, including working with the Police Department to ensure appropriate sensitivity to racial and cultural issues
- Enhance coordination between the Town Administration and the schools to ensure proper allocation of resources.
- Ensure a smooth transition between private ownership and municipal ownership of the water company assets
- Continue our growth in affordable housing
- Add more bike paths in Hingham for the use and enjoyment of youths and adults

- Advance the Public Safety facility and Senior Center renovation projects
- Pursue revenue opportunities, including revenue opportunities in South Hingham
- Promote environmental stewardship in the Town of Hingham
- Explore initiatives to support sustainability and to combat climate change within the community
- Provide assistance to the School Department as it works through its Fall 2020 reopening plan

Public Comment

Laura Burns, former Selectman, asked if the Board could add to their climate change goal the establishment of a Climate Change Task Force as had previously been discussed by the Board and the group Hingham Net Zero. Mr. Fisher noted that he has spoken to the Town Administrator about such a task force and added that he would add her suggestion as an addendum to the previously mentioned goals.

Mr. Mayo commented that he has plans to meet with Brad Moyer of the Energy Action Committee to discuss the formation of a climate change task force. He said that the group would consist of Town Planner Mary Savage-Dunham and four residents who are knowledgeable on the subject. Mr. Fisher asked how resident who would like to volunteer for the group could make it known. Mr. Mayo said they could email him and cc Michelle Monsegur to let him know of their interest. Mr. Fisher also asked if there was any State funding for the sort of work the task force would endeavor. Mr. Mayo said that they had applied for, though not awarded, a grant through the MAPC that would help the Town develop a climate action plan. The Town has since asked the MAPC to provide a cost summary for their assistance with developing a Climate Action Plan. Mr. Mayo also noted that Ms. Savage-Dunham is looking other types of funding. Mr. Fisher encouraged coordination with the Hingham Mast Plan process.

Ms. Katie Sutton of the Hingham Unity Council thanked the Board for making racial equality part of their goals. She said that she and the Unity Council would be willing to work with the Board towards that goal. Mr. Fisher commented that they are in the process of developing specific initiatives and that it is an important topic for them.

Ms. Brenda Black asked for the Boards definition of sustainability and the goal of the Climate Change Task Force. Mr. Mayo noted that he and Mr. Moyer would be working through the goals of the task force during their upcoming meeting. Mr. Fisher encouraged residents to submit suggestions for climate change initiatives to the Master Plan Committee.

Mr. Benjamin Kerman, member of the Energy Action Committee and Hingham Net Zero, encouraged the Board to fund the Climate Change Task Force by any means necessary.

Mr. Andrew Turner of the Hingham Unity Council asked what segment of the community the Board is looking to asses with regard to racial equality, in addition to the Police Department. Mr. Fisher suggested that racism has the ability to affect all areas of the community and further said that addressing it is the priority. Mr. Turner welcomed a more comprehensive plan, including specifics and goals, and offered to help participate in the process.

Mr. John Borger, 53 Lafayette Avenue, offered a suggestion of a more specific goal for the Climate Action Task Force, as follows: “Initiate, finalize membership of, and begin the activities of a task force on climate change, including application for funding, pursuant to submission of a Warrant Article to the 2021 Town Meeting for Town funding for development of a Climate Action Plan for Hingham.” Mr. Fisher appreciated Mr. Borger’s specificity.

Ms. Laurie Freeman, 269 High Street, suggested that there are many people in Town who are committed to supporting a Climate Acton Plan and encouraged the Selectmen to look to what other Towns have done to address the topic. Additionally, she encouraged educational outreach and a greenhouse gas inventory for the Town. Mr. Fisher appreciated her contribution.

Ms. Libby Leweicki suggested additional goals to include that the Selectmen change their name from “Selectmen” to “Select Board”. She also suggested that the Board create a policy that would allow for the flying of the Pride Flag. Ms. Leweicki further suggested that the Board consider an override to accommodate additional funding for the schools.

Mr. Brad Moyer, 23 Colonial Road, Chair of the Energy Action Committee, suggested that the Climate Action Task Force be created in a way that would allow their meetings not to be subject to the Open Meeting Law. He also encouraged outreach to other towns in attempt to acquire grant money.

Mr. Ramsey and Mr. Fisher thanked everyone for their suggestions and for attending the meeting.

COVID-19 Update

Massachusetts remains in Phase 3, Step 1 at this time. As of today, the DPH was reporting 114,033 probable and confirmed cases in Massachusetts, of which 8,903 are in Plymouth County. As of last Wednesday, the last day for which there was a formal report, the DPH was reporting 281 COVID-19 cases in the Town of Hingham, which means no new cases were reported in Town in the previous week. We appreciate everyone taking social distancing and face coverings guidelines very seriously and we need to keep up the good work in Massachusetts.

Public Comment

Mr. Fisher noted that there were no comments from the public.
