RE: 361 Main Street  
Hingham, MA

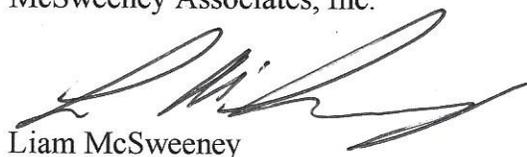

Dear Ms. Fournier,

This letter supports an application for Administrative Review at the referenced site. As illustrated on the accompanying plan, the proposed project involves relocating an existing barn from within the 100' wetland buffer to outside the buffer zone.

All related construction will occur outside the 50' buffer zone, but within the 100' buffer zone. The wetland line was flagged by South River Environmental on 1/13/2020 for the owners of 349 Main Street.

Please feel free to contact me directly if you should have any additional questions in this matter.

Sincerely,  
McSweeney Associates, Inc.

Liam McSweeney
