**Pick-Up Release Waiver**

Dear Parents,

In order to provide our staff with the necessary release and pickup information we are asking that you please take the time to complete the release waiver provided below. By completing this waiver the number of notes received on a daily basis will be dramatically decreased and will allow our staff to be more aware of your different transportation arrangements prior to the beginning of each session. **Please note that if a parent has a last name which is different from the child's last name, please include this name in the waiver so that staff can be aware.** Thank you for your cooperation. We are looking forward to a great summer here at Hingham Recreation! **NOTE: All adults picking up children will be required to present a valid driver's license.**
