JENNIFER FEENEY • Jenn oversees the Funky Feet Dance School for the Hingham Rec, and has been passionately teaching in the Hingham area for over 22 years. Her unique style focuses on combining classic and modern dance elements together to create a fun, unique and entertaining style—dubbed *Funky Feet*. In her spare time, she has led the Hingham High Dance Team to two Orange Bowls, and is mother of three wonderful children.

APRILE LYNCH • Aprile has trained in all aspects of dance, and has been sharing her passion with hundreds of children in the Hingham community for over 18 years—at both recreational and competitive levels. As a mom herself, Aprile has a special connection with her students and her classes are filled with energy and fun. She also teaches Zumba and Boxing classes.

ERIN VARDARO • Erin began dancing at the age of three and her passion for dance is contagious! She has studied ballet, tap, jazz, lyrical, and hip-hop, as well as choreographed at Salve Regina where she received degrees in Psychology and Dance. Erin has been teaching for over 20 years at studios throughout Rhode Island and Massachusetts. She is now an elementary school guidance counselor in Quincy and coaches the Hingham High School Dance Team with Jenn Feeney.

CASSIE MARTINSON • Cassie began dancing at the age of three and hasn't stopped since! She began teaching in 2006, and immediately discovered her love of teaching children body awareness through many aspects of dance. Cassie is a Northeastern Grad where she danced and taught throughout college and continued her education by obtaining her Masters Degree as a reading specialist from Wheelock College. She is passionate about building self-confidence and self-expression through dance. Outside the studio you can find Cassie teaching barre, POUND, cycle, or spending time around town with her family.

KRISSEY LITCHFIELD • Krissy has been teaching dance for 21 years. Her primary focus has been ballet, but she also has training and experience in a wide range of dance forms. She attended the Boston Ballet school in her youth and danced at her family-owned dance studio from the age of two. She studied dance at Roger Williams University and continued training into adulthood at the Jeannette Neil Dance Studio, Boston. Krissy lives in Whitman with her husband and 2 children. She loves teaching dance and especially enjoys passing on her love of this beautiful art form to her students.
