Re: Supplemental Traffic Engineering Peer Review  
100 Industrial Park Road  
Proposed Shipping Warehouse

Dear Ms. Savage-Dunham:

We are in receipt of Vanasse & Associates, Inc.'s (VAI) traffic comment dated October 15, 2020, regarding the project noted above. Our response is indicated below in ***bold italic*** text and are as follows:

1. The Applicant should propose improvements where necessary to accommodate truck turning maneuvers within the paved area of both roadways and should indicate how the "No Parking" restriction will be enforced along Commerce Road given its status as a private way. It may be necessary to install vertical curbing along both sides of Commerce Road to physically prevent on-street parking.

***Response: Noted and we appreciate your feedback. Commerce Road is currently under review.***

We trust our response addresses the concern that was posed. Should you require additional information, please feel free to contact me at 203-608-2438.

Sincerely,

Kevin Hixson  
Senior Project Manager
