Dear Bob,

On March 13, 2020, a Shade Tree Hearing was held as requested for 213 Cushing Street. The request consisted of the removal of (1) 20" caliper White Pine, (1) 13" caliper White Pine, (1) 17" caliper White Pine, (1) 16" caliper White Pine, (1) 33" caliper White Pine and (1) 30" White Pine all of which are located at 213 Cushing Street.

After evaluating the trees it has been determined that the trees will be removed due to site line issues and condition of the trees. It was decided that Shepard Investments would pay the Town of Hingham \$100 per inch for each of the trees for a total cost of \$9,900. Also included in the invoice is the \$256.06 legal advertisement cost. The total invoice of \$10,156.06 is attached.

Attached is a "Right of Entry Form" that will be needed to be filled out and returned to us in order for the Tree & Park Department to enter your property.

If you have any questions please feel free to call.

Sincerely,

Randy Sylvester
DPW Superintendent
