Question numbers refer to Goal/Policy/Action numbers on "Hingham Master Plan: Part 1, Draft Recommendations from Consultant" distributed 10.15.2020 by Judi Barrett.

Edits:

4.C.3 Substitute "Pursue" for "Provide"; adjust target units from ten to five each year.

4.C.6 Edited to: "Adopt a hotel room occupancy tax and explore other funding sources such as a residential demolition fee to fund the Affordable Housing Trust." (Check with Judi on full edit.)

Notes:

The group discussed that this was meant for existing accessory structures. One member thought this might need clarification, but I don't believe we edited the draft action.
