

HINGHAM PLANNING BOARD

R2 - Certificate of Construction and Performance

Subdivision Name: _____

Applicant: _____ Phone: _____

Engineer: _____ Phone: _____

Name of Street: _____

(The engineer responsible for inspecting the work will make one of the two alternative certifications below, with appropriate entries and deletions, upon completion of all required inspections and re-inspections):

I, _____, certify that the Subdivision described above has (has not) been constructed in conformance with the Definitive Plan and all amendments, and the Rules and Regulations of the Planning Board (and that the ways, utilities, drainage and municipal services have been installed to line and grade as shown in the Definitive Plan so that a waiver of "as-built" plans is recommended).

Professional Engineer's Stamp Date _____ Signature _____

I, _____, certify that with the exception of minor changes shown on the attached plans, the line and grade of ways, utilities, drainage and municipal services is as shown on the Definitive Plan, so that, with the attached drawings, a complete record is available and "as-built" drawings may be waived.

Professional Engineer's Stamp Date _____ Signature _____
