Application is hereby made for water service to be supplied from the Weir Rive Water System (WRWS) water mains.

The Applicant agrees to abide by the current Rules and Regulations of the WRWS now in force, or which may hereafter be enacted or adopted to the rules and regulations, and to pay for service at the rates approved by the Board of Water Commissioners, or any subsequent rates, which may be approved by the Board of Water Commissioners. Applicants are required to review the Water Balance Program requirements, and if the reference service requested is subject to the WBP, additional applications are required prior to approval.

The Applicant further agrees to be responsible for all payments for water service until termination of service and we obtain a final meter reading. Premises with remote reading meters must have both inside meter and outside remote reading devices read. It is also agreed that a WRWS representatives may enter upon the property and enter the premise, with reasonable notice during normal working hours as may be required, for the purpose of inspecting customer's pipes or water meter and reading or changing the water meter.
