Emily Wentworth and Michael Silveira, Town of Hingham Planning Board

My name is Darrin Fitzgerald. My wife, son and I reside at 15 Lincoln Street in Hingham.

I am writing to express our family's support of the Hingham Historical Society's request for modifications to their plans for the Benjamin Lincoln House. I have reviewed and support the Society's plans for relocated handicap access and reduction of onsite parking at the Lincoln home. We welcome a smooth and expedient transition of the Lincoln home to a Museum.

Your consideration and support of the Society's plans are greatly appreciated.

Thank you,
