eleanor,

our quote to remove the rear of kitchen cabinet and replace same after plumber is finished

\$1475.00 to include labor and materials.

let me know if this works

chris

eleanor,

i will get you a quote for that today

just checking up on prevailing rate

chris

Hi Chris,

How are you? I hope all is well.

Would you please provide a quote to open up the back of the kitchen cabinets and replace them once the plumber repairs the pipe. While the bathroom sink drain was working the other day, it isn't anymore so we are definitely going ahead with this work. Please use prevailing rate.

Thank you

Eleanor
