Hi John,

Thanks for sending over your plans to add-on a two car garage for Colleen and I to review.

I wanted to send you a note to let you know we fully support it. It fits in with the character of the neighborhood and speaking from experience, you'll love having the extra space!

Please let me know if you need Colleen and I to attend any meetings with the town as you work through the approval process. We'd be happy to share our feedback in person.

Cheers,
Neal

To whom it may concern,

The Crawfords have shown and discussed with me their plans to add on to their existing home at 4 Palmers Ln, Hingham. I totally support them and have no issue with any of their plans. They are great neighbors who take pride in their property and I hope they are granted the opportunity to expand and/or renovate their home. Please feel free to contact me if you have any questions or concerns.

Respectfully,

John,

As an abutter, I wanted to provide my support for the proposed garage and renovations to your home. Since moving to the neighborhood, you and Carrie have done a great job in transforming a property that was very much in need of repair. I look forward to the continued improvements.
