

TOWN OF HINGHAM

Night Work Construction Notice August 13th – August 16th, 2023 REVISED

August 7, 2023

To Whom It May Concern:

Weather events have significantly impacted our scheduling and may continue to cause delays. Our tentative schedule for night work, subject to change, is as follows. The Town of Hingham Engineering Department will be applying a first coat of microsurfacing to the entire length or sections of the following roads overnight August 13th-14th, and 14th – 15th, 2023:

<u>East Street</u> (Hull Street to 3A)	<u>East Street</u> (Weir River Bridge to Leavitt Street)
<u>Leavitt Street</u> (East St to Short St)	<u>Short Street</u> (Leavitt St to Main St)
<u>Main Street</u> (Short St to 373 Main St)	<u>Wompatuck Road</u> (Kimball Beach Rd to end)
<u>Thaxter Street</u>	<u>North Street</u> (at Thaxter St)

The application process requires two (2) coats of microsurfacing emulsion applied a minimum of 24 hours apart. The application of the first coat will begin at 7:00 PM on August 13th and continue on a rolling basis through the night of August 14th. Upon completion of application of the first coat, the work crew will return to their point of beginning to apply the second coat. The work will continue until all locations have received a second coat, concluding on or before the morning of August 17th. The curing time for each application can be up to two hours. The roads will be reopened on a rolling basis once the application has cured. All scheduling dates are dependent on weather conditions and subject to change. Please be sure to check our Town's website for any updates to this schedule.

You will experience travel delays during this time. A significant portion of this work is occurring on Route 228 and will require rolling detours. Please follow the directions of our detail officers in directing traffic around our work zone. **On-street parking will not be permitted from 6:00 PM to 6:00 AM.** It is important that you avoid on-street parking until this project is complete. Vehicles which interfere with this project will be removed.

Vehicle access to your property (driveways-parking etc.) will be prohibited during certain times while the work is underway, please seek guidance from available representatives (Police/DPW/Engineering Staff) that will be onsite during the work. We recognize the inconvenience and endeavor to minimize disruptions to the extent we are able.

If you should have any questions, please call the Department of Public Works at 781 741-1430.

Thank you,

NOTE: The Town of Hingham or its' contractors are not responsible for the replacement of or readjustment of materials such of cobblestones, bricks, landscape borders, cement structures, private underground utilities (i.e. electric, irrigation, etc.), or other objects which are placed within the town layout without permission.
