Dear Name,

We are reaching out to you to let you know that Hingham Affordable Housing Trust will be resuming engineering activities on Parcel 97-0-9, 211 Hobart Street and 97-0-8, 213 Hobart Street. Please expect to see both surveyors and Town staff on the properties over the next month.

Initially, engineers will resurvey the properties, flag the wetlands, and mark the boundaries. Future work may include digging holes for perc testing. If we plan to move beyond this initial scope of work, we will keep you informed.

Please feel free to reach out to the Jennifer Oram or Donna Thompson in Land Use and Development at (781) -749-1494 if you have any questions.

Sincerely,

Donna Thompson
