Subject: Re: 499 Cushing Street - Fall cleanup/ plowing

Hi Donna,

I removed a significant amount of leaves on my last maintenance visit (11/8), and will be able to finish things off with a maintenance visit at the end of the month for \$200. That will include removing the rest of the leaves and a final mowing. I will let you know by the beginning of next week about plowing, I didn't commit to it when I took this job on at the beginning of the year.

Dear David,

I manage the accounts for Hingham Affordable Housing Trust (HAHT), including the property you service at 499 Cushing Street, Hingham, MA. The property looks great; thank you for your hard work!

I was wondering if you could prepare an estimate for a fall cleanup for 499 Cushing Street? HAHT members will need to approve the expense before a cleanup can be scheduled. The next HAHT meeting is Wednesday, November 20th, so it would be helpful to submit the estimate before Tuesday, November 19th.

Also, I would like to confirm that you are willing to plow the property during the winter. If so, can you please let me know your fees?

Feel free to call me with any questions you may have.

Best regards,

Donna Thompson
