Request for Certificate of Compliance

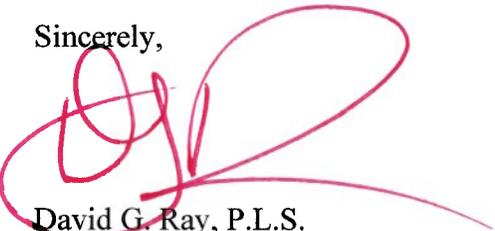

Dear Ms. Palmer:

Nantasket Survey Engineering, LLC (NSE) is preparing this letter as a request to close the Order of Conditions for 233 Ward Street in Hingham, MA.

NSE has prepared a site as-built dated 6-23-2025 (see attached plan) and we have found that the construction was performed with a smaller addition than proposed and is on pilings.

We don't find any of these alterations to be a significant change to the proposed plan and request that a certificate of compliance be issued.

Sincerely,

David G. Ray, P.L.S.
Managing Principal
