

PUBLIC NOTICE

TUESDAY, AUGUST 5, 2025

Beginning Wednesday, August 6, 2025, Site Pro Construction will be installing a new 8" ductile iron water main on Arnold Rd in Hingham from #434 Main St to just past #30 Arnold Rd. This main is being installed by the developer in accordance with permitting approvals.

Work Schedule: 8:00 AM – 4:00 PM
Duration – Approximately Two Weeks

At this time we are not anticipating any disruptions in water service, but if needed we will notify residents in advance. Upon completion the WRWS will schedule to have residents water services transferred to the new water main.

***If you have any question regarding this work please contact:
Russell E. Tierney, Managing Director / Superintendent
781-804-2304 or email tierneyr@hingham-ma.gov***

*Serving the residents of Hingham, Hull and North Cohasset
