

Dear Historical Commission,

We are writing to formally express opposition to the proposed redevelopment of 709 Main St. My wife Barbara and I both grew up in Hingham, attended high school, and raised our family here. We have always loved this town, and it is hard to see how the growth and development has changed our town and not in a good way! Hingham does not need condominiums on Main St., especially on historic Glad Tidings Plain.

Eleanor Roosevelt during a visit to Hingham pronounced Main Street Hingham, the prettiest Main St in the Country. We think that vision is still true today, please let's keep our Main St. with its rich history and beauty, the prettiest Main Street in the country.

We strongly urge you to oppose this plan..
