RE: **Request for a Certificate of Completion
19 Fulling Mill Lane
DEP# 034-1435**

Hingham Conservation Department:

Enclosed, please find the following revised materials for a Certificate of Compliance Request:

- The Request for Certificate of Compliance WPA Form 8A for the Order of Conditions DEP# 034-1435
- The Town of Hingham CoC checklist
- The Town of Hingham's Policy on Receipt of Information
- The Town of Hingham's Voluntary 21 Day Waiver
- A Mitigation Planting Area Progress Report
- The As Built Plan, dated 10/22/25

A check for the application fee was previously submitted. We believe that the work was completed as approved in the Order of Conditions issued 2/22/22 and recorded at the Plymouth County Registry of Deeds, Book 56535, Page 152).

On behalf of the Sara and Adam Gordon, we respectfully request that a Certificate of Compliance be issued for DEP# SE034-1336. If you have any questions regarding this request, please do not hesitate to contact us.

Sincerely,

Merrill Engineers and Land Surveyors

Brendan Sullivan
Project Manager

MITIGATION PLANTING AREA PROGRESS REPORT
19 Fulling Mill Lane
October 22, 2025

The site plan approved as part of the Order of Conditions for DEP#034-1435 includes a minimum 1200+/- SF mitigation planting area in which the existing invasive knot weed would be removed and replaced with approximately 45 native plantings and/or New England Wildflower Seed Mix. As indicated on the attached as-built plan, the mitigation planting area is approximately 1,630+/- SF and consists of:

- Ilex glabra (Inkberry)
- Viburnum dentatum (Southern Arrowwood)
- Clethra alnifolia Summersweet
- Aronia melanocarpa (Black Chokeberry)

The plants were installed in August of 2023 and October of 2024, and the applicant reports that 46 appear to have survived to date. The following are pictures of the planting area from 2024 and 2025:
