We thank you for the opportunity to present you with this GTW **FASTFIRE** quotation.

Following the recent site visit by our service technician, Jason Henriques, we are pleased to provide this proposal for detailed services.

We will replace the obsolete boiler staging control with a new one. We will install a Tekamr 294 boiler staging control. Once completed we will set up and calibrate the control to proper settings and ensure that boilers are staging and operating properly.

We propose to provide the detailed service for the sum of \$8,340.00 complete.

We thank you for the opportunity to present this proposal. Please feel free to call me at 781-335-2622 with any questions or if you wish to authorize the work.
