

Hingham Select Board Weekly Update

Week of August 3, 2026

Hello, Hingham, and welcome to this week's Select Board update.

The Select Board will **not meet this week**. Our next regularly scheduled meeting will be held on **Tuesday, August 11**. The agenda and meeting-access information will be posted on the Town website by end of day Thursday, August 6th.

Residents can find the latest schedules and agendas for all Town boards and committees through the Public Meetings calendar and Agenda Center at hingham-ma.gov. Because meeting information may be added or updated during the week, we encourage residents to check the [calendar](#) before attending.

This Saturday, August 8, we are pleased to recognize **Farmers Market Day in Hingham**. The Hingham Farmers Market is a wonderful community tradition that supports local farmers, food producers, artisans, and small businesses while bringing neighbors together. We encourage everyone to stop by, shop locally, and enjoy all the market has to offer.

We also want to remind residents that preparations are underway for the **September 1 State Primary**. Mail-in ballots are expected to begin going out in early August. College students and other residents who may be leaving Hingham later this month should think carefully about where their ballot should be mailed and allow enough time to receive and return it. Additional voting information is available through the Town Clerk's [Election and Voter Information](#) page.

Finally, we hope everyone is enjoying the final weeks of summer. Whether you are visiting the Farmers Market, spending time at the Bathing Beach, walking in one of Hingham's parks, or supporting our local businesses, please continue to look out for one another and enjoy all that our community has to offer.

Thank you for staying informed and involved. We will see you again at the Select Board meeting on **Tuesday, August 11**.
