

**Waiver Requests**

Through the Comprehensive Permit, the Hingham Board of Appeals has the authority under M.G.L. chapter 40B and its implementing regulations to waive requirements of local bylaws; further, the Board of Appeals can act on behalf of any local permitting authority through the Comprehensive Permit process. The project plans reflect an attempt to minimize the number of waivers requested and we believe reflects a plan that is contextually appropriate on several different levels. Following please find a revised table of the waivers necessary to permit the proposed project; this list will be updated as necessary as permitting proceeds.
